

Travel 2 Hermanus, South Africa

Hermanus, with its legendary champagne air, is an ideal place to explore the Overberg's attractions and provides the perfect setting to spoil your family for a holiday or breakaway weekend.

Only 140 km from Cape Town, the 1.5-hour drive takes you through some of the most beautiful landscapes in the country. Hermanus has definitely outgrown its rustic old fisherman's village image and is now a fast, if not the fastest, growing town in the Overberg region.
